

VK3220T-HS

Introducing our newest product to the Vanguard Durst Digital portfolio.

Based on our 7 year award winning platform, the new VK3220T-HS redefines the meaning of productivity on a 3.2 x 2 meter flatbed. Utilizing up to three rows of the 4 picoliter drop size Kyocera print heads, print speeds can reach up to 360 Sq.M an hour. With the ability to print up to 10cm thick, the only limitation is your imagination.

A printer that can grow and scale with your business.
